## **Geocaching Event**

As part of the 100<sup>th</sup> Year Anniversary Celebration, the City of South Charleston is sponsoring a city-wide Geocaching Event now through August 9<sup>th</sup>, 2017.

Geocaching is a real world outdoor game using mobile phones and other GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and attempt to find the geocache container hidden at that location.

To get started, visit [Geocaching.com](http://Geocaching.com) to learn more about geocaching and to get signed up to participate in this fun event. Once you create your account you will be able to start finding over 30 geocache locations in the South Charleston city limits.

When you find a geocache container, open it and sign the logbook and be sure to log your find on line. Also list your geocache find on the attached registration form. Forms should be turned in by August 8<sup>th</sup> at the Municipal Building at 238 4<sup>th</sup> Avenue.

Geocache containers can vary greatly in size and shape. Replace the container just as you found it. You're then ready to navigate on to the next geocache location.

Entries will be checked by accessing [Geocaching.com](http://Geocaching.com) to ensure the finds have been logged correctly.

All participants who find a minimum of ten (10) geocaches within the city limits of South Charleston wins a commemorative 100<sup>th</sup> Anniversary T-shirt, and the person who finds the most caches wins dinner for four at the Eagles Nest Restaurant at Little Creek Golf Course.

Winners will be declared and prizes awarded on August 9<sup>th</sup> at South Charleston Municipal Building at 238 4<sup>th</sup> Avenue.

HAVE FUN AND GOOD LUCK!
