Application for Business Tax Credit

The City of South Charleston offers a tax credit for new businesses located within the City limits. If the application is approved then the business will receive:

- 75% reduction in tax liability for the first year
- 50% reduction in tax liability for the second year
- 25% reduction in tax liability for the third year

If approved, all B&O taxes, fees and licenses must be paid on or before the due date to avoid losing the tax credit. Should you become delinquent the City can remove the tax credit and collect all taxes at the full rate.
